Friend -

I would like to extend my sincere gratitude to you and your families for your commitment to serving the people of Virginia during the COVID-19 pandemic. First responders have always answered the call to serve, but your service during these trying times went above and beyond. Now more than ever, a grateful nation says, "thank you."

As this pandemic has spread throughout our communities, I thank you for continuing to bravely provide care and services to those who depend on you. Your hard work has not gone unnoticed. Please know that Virginians everywhere are inspired by your sacrifice and grateful for your selfless actions during these challenging times.

I am proud to salute you and your fellow first responders—who day by day are building a safer and stronger Virginia. Thank you.

With kind regards, I remain

Sincerely,
